

Aetna Better Health® of Oklahoma

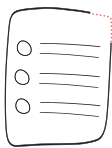

# Free birth control & more.

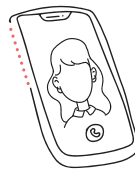

Prescribed online by trusted US providers & delivered to you.

As an Aetna Better Health® of Oklahoma member, you get access to **free birth control, the morning after pill, condoms, herpes treatment, online consultations, and more.** Prescribed online and delivered by **Twentyeight Health**, a mission-driven women’s digital health platform.

## To get started

Fill out a simple online **medical questionnaire** (it takes less than 5 minutes).

Connect with a provider via **video consultation** so they can write a prescription.

Receive **free delivery** of your medication in 3-5 business days.
